

What is the CHRISTIAN RESOURCE CENTER?

The Christian Resource Center is a religious non-profit organization, which is evangelical in doctrine, non-denominational in affiliation, and inter-denominational in practice.

The Christian Resource Center exists to further Christ's kingdom by 1) assisting local churches and individuals, 2) training believers, and 3) reaching out to local communities.

This mission is accomplished through the personal ministries of the Directors and by customizing programs and ministries to meet the ever-changing needs of local churches, individuals, and communities.

CRC has a strong commitment to helping enhance and strengthen the ministry of local churches. CRC has been serving the area since 1976.

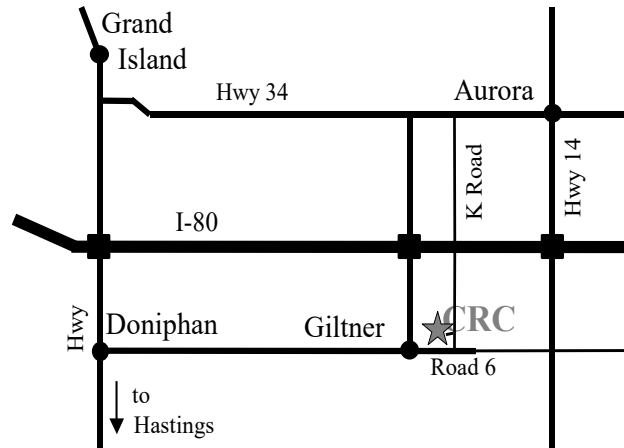

CRC is supported both through the love gifts of individuals to whom God speaks about our ministry, and the gifts of local churches who see the Christian Resource Center as a significant home missions ministry.

Although some of our programs are self-supporting and it is the expressed policy of CRC to maintain as low an overhead as possible, there are some very real needs in terms of staff support, equipment, and materials that can only be met by the continuing support of concerned individuals and churches. CRC has no other means of support. All gifts to CRC are tax deductible.
